

Produce and fruit surfaces contain pesticides, waxes, human-handling residues, and other harmful contaminants.

Foodborne illnesses are possible when consuming these contaminants.

Fruit and Vegetable Wash

FIT Organic® 32 oz. Soaker/Refill Produce Wash

8 28545 11032 5

FIT Organic® 12 oz. Spray Produce Wash

8 28545 11012 7

- Removes 98% more pesticides, waxes, human-handling residues, and contaminants than water alone.
- Washing with Fit Produce Wash, produce is cleaned and sanitized without causing harm to the produce, health, or the planet and doesn't leave a taste or smell.
- Fit Organic is certified USDA organic and contains no synthetic detergents or artificial surfactants. Fit Produce Wash is the best of both worlds: a premium wash product that uses safe and naturally derived ingredients.
- And increases the shelf life of the product by 3-5 days!!!

Terms and Conditions

- Terms: Net 30 check in hand; terms will begin at pickup or receipt of delivery of product and end with receipt of check; all orders subject to credit approval
- Title and risk of loss pass to Purchaser once truck leaves HealthPro Brands shipping point
- Customers that pick up product at the HealthPro Brands Cincinnati warehouse receive the best price.
- All pricing includes prepaid freight to customer's warehouse or dock in continental U.S. except for pick-up orders (best price).
- Allow at least 2 days lead time between order date and delivery date
- For mixed pallet orders, "Full Truck" pricing will equate to 44,000 lbs (or closest full pallet configuration without exceeding 44,000 lbs)
- If pallet quantities are ordered, all cases must be shipped in full pallet quantities;
- HealthPro Brands will not be responsible for any unsold product; all title and risk of loss pass to buyer upon pickup or at delivery.
